Accidentals above noteheads are editorial. All others present in source.

Medius [14.1] Third higher in source.

There is much confusion at the final cadence, but it is clear what the solution should be: Essentially, the top two parts have been swapped for the last three bars.

Out of the deep have I called unto thee, O Lord;
Lord, hear my voice. O let thine ears consider well the voice of my complaint.
If thou, Lord, wilt be extreme to mark what is done amiss, O Lord, who may abide it?
For there is mercy with thee; therefore shalt thou be feared.
I look for the Lord; my soul doth wait for him; in his word is my trust.
And he shall redeem Israel from all his sins. Amen.
